PREFACE

The 2017 International Conference on Globalization of Law and Local Wisdom (IC-GLOW 2017) UNS, held in Surakarta from October 14-15 October 2017, with an overarching conference theme of “Globalization of Law and Local Wisdom”. This theme was developed due to law condition nowadays that increasingly blurred in practice because there is a differences between state law and international law.

This proceedings from the conference provides multiple meanings of the term sustainability that divided into four panels, namely National Law and Globalization; Local Wisdom and Business Law in Era Globalization ; Penal Law and Globalization; Islamic Law and Globalization. There were two plenary sessions covering the difference areas of the conference : Prof. Dr. I Gusti Ayu Ketut Rachmi Handayani, S.H., M.M. (Universitas Sebelas Maret); Prof. Hikmahanto Juwana, S.H., L.L.M., Ph.D (Universitas Indonesia); Prof. David Keith Linnan (USC School of Law South California); Dr. Mohd. Iqbal bin Abdul Wahab (International Islamic University Malaysia, Malaysia); Prof. Dr. Thomas Schmitz (Universität Göttingen, Germany & the Hochschule des Bundes für öffentliche Verwaltung, Brühl, Germany); Prof. Seok Woo Lee (Inha University of Law South Korea); Prof. Dr. H. Abdul Mohaimin bin Noordin Ayus (University Islam Sultan Shahrir Ali, Brunei Darussalam); Christopher Cason, JD (Seattle Pacific, Washington DC-US & Universitas Islam Indonesia, Indonesia).

These public talks, respectively, were very accessible to general audience. The conference participants came from various background such as researcher, lecturer, practitioner, and college students as well. The first day before conference programme was started by a special gala dinner to honor all of distinguished guests, invitation, and participants.

The selected paper that were presented on the conference program formed the heart of the conference and provide ample opportunity for discussion. Of the total number of presented papers, all papers that split into four panels sub theme are included in this proceedings. We would like to thanks to the committee who were facing the challenge during the conference to achieve the aims of the events. All in all, the IC-GLOW 2017 was successful and we expect this proceeding could be useful for entire scholar.
