Dean Faculty of Education and Sain  
State University of Padang

We appreciate the implementation of the 3<sup>rd</sup> International Conference on Early Childhood Education by the Committee of Early Childhood Education Department, Faculty of Education, State University of Padang. This conference has become an important agenda every two years of the Early Childhood Department. This activity supports the vision and mission of State University of Padang, and Faculty of Education will be an excellence institution in 2020 in Southeast Asia.

Early Childhood Education Conference is very useful for many people, especially for child educators, academics, researchers and students. In this conference will be discussed various issues related to early childhood education under the theme of holistic and integrative which is the issue today and future. These issues will develop awareness in education department, schools and social. Throughout this conference supports the interaction and communication between observers of early childhood education from various regions, national and international.

We expect from this conference will produce a variety of studies of early childhood education and recommendations for the competent stakeholders. So, it will support synergy relationship between universities, stakeholders and communities in building and developing early childhood education, better and more development in the future.

Congratulations for conferences committee.

Dean Faculty of Education  
State University of Padang,
